Here's how it works...

Our engineers install a small radio receiver to the outside of your holiday home and connect it to a compact residential wireless router inside. This gives you a home from home internet experience.

...what it costs...

Unlimited High-Speed Package

£17.50 per month

12-month Subscription

+£100 installation fee, includes wireless router.

...and what you can do!

- Stream your favourite movies, programmes and music
- Play online games on your Xbox and PlayStation etc
- Get a great experience from apps such as Skype and Facetime
